THAT BANQUET

Three times each year you graduates have a chance to get together. At the time of the Lafayette Game you come back to fight for the Football Team of Lehigh; at the Convention you assemble to do honor to the National Fraternity of Alpha Chi Rho; and at the Annual Banquet you should return to support Phi Mu Chapter of Alpha Chi Rho. We need not go through a long drawn out list of reasons for your attending nor enumerate at great length the many advantages derived from such a wise measure. You know them only too well. The spirit is certainly willing; it remains for you only to compel the flesh to follow what the spirit is convinced is the shortest cut to Bethlehem on May 22nd. The successful, forceful, enterprising man takes advantage of all his opportunities. Let's see how many of the Graduates return for this Banquet!

RUSHING REGULATIONS.

In March 1919 an organization called the Interfraternity Council of Lehigh University was formed. This event marked a new epoch in the history of Fraternities at Lehigh. Last year its influence was of little significance since its weakness necessitated a provision in the Constitution prohibiting the discussion of the rushing problem at any time before April 1920. Undoubtedly the regulation of rushing is the underlying purpose of every such organization—and properly so. The founders realized that a rushing agreement was eventually inevitable and desirable but foresaw that, until the Council had time to take root and establish itself as an essential part of the Fraternity System of the University, any important question upon which there was a diversity of opinion might easily disrupt and destroy forever the embryo recently created. With that in view emphasis has been put upon the development of good feeling and a spirit of co-operation among the different Fraternities. This has been accomplished by Interfraternity

activities. The Bowling League was the first attempt, and was a success. The Basketball League, which is drawing to a close, has been even more of a success, and augurs well for the intended tennis and pool tournaments. Throughout there has been remarkable interest shown by non-fraternity as well as by Fraternity men. The Social Side has been well taken care of by Interfraternity Dances. The first one, held in Drown Hall, was well attended and financially prosperous. During Junior Week a more pretentious affair was staged effectively.

The effect of this policy has been excellent. As a result, unfriendly rivalry and petty jealousies have been practically eliminated. Cliques have been broken up and the Fraternities act as one large body yet lose none of their individualities. The feeling has changed from unfriendly to friendly rivalry; from a spirit of distrust to co-operation and good will. The men of different Fraternities know each other better, see each other oftener, and become better friends with the result that to be a Fraternity man at Lehigh means more now than it ever did. Alpha Chi Rho has been an enthusiastic supporter of the Council from the start because its great value has been evident. Now when the strength of the body seems to have developed to the point where a rushing agreement is possible, Phi Mu is taking increased interest and looks forward toward a bright future for Fraternities at Lehigh.

SUB-FRESHMAN DAY.

Due to the adoption of a Rushing Agreement (as explained elsewhere) by the Interfraternity Council this Spring, the rushing season will be more intensive next fall than ever before. The Resident Chapter is preparing for this campaign by holding a Sub-Freshman Day on May 15th at which time any men who are likely to be Freshmen at Lehigh next fall will be invited to the House. The main attraction will be a Lacrosse game with the University of Pennsylvania. Few prospective Freshmen have ever seen a "Lacrosse Massacre" and it is expected that such a spectacle will imbue them with the true Lehigh Spirit. We hope so.

The purpose of this pre-season rushing is, of course, to give Alpha Chi Rho the inside track in the fall. Previous success has shown that this Day is a good investment. The drawback lies in the fact that the range of the Residents is so small and their scope so limited since they know only men from their home towns that it is difficult to get as many Sub-Freshmen here as we would like. Here is where the Graduates can help. If you know of any prospects at all merely ship

them to Bethlehem on May 15th and notify us of the time of their arrival. We'll do the rest. If you see no prospects as yet, keep your eyes open during the summer for Fraternity material. The rushing season this fall will be a true test of the mettle of any Chapter and we need all the help possible. It will be a wonderful aid to receive advance "dope" on a number of likely Freshmen. That will give us a nucleus around which to build our campaign. Send us the "dope"! See how many men you can recommend! We will come through. Give us a chance!

THE NEW RUSHING RULES.

The new members of the Inter-Fraternity Council were installed on April 12, 1920 and at this time the discussion of a set of rushing rules for Lehigh was started. The rules drawn up by the Cyanide Club were presented, and after lengthy discussion it was decided that altho the rules were very complete, it would be too great a step for so young a body to try and enforce them at the present time. At the meeting on April 19, the following rules were presented and tabled until the next meeting, and they will most likely be adopted before this issue of "Musings" reaches the Brothers:

Rule (I)—No rushee may be pledged to any Fraternity until three weeks after the opening of college and he must be a duly registered student of Lehigh.

Rule (II)—When a rushee is invited to stay in the house during the above period, his name shall be posted on the Inter-Fraternity bulletin board in Drown Hall not more than 24 hours after the time that he goes to the house. (The bulletin board shall have a glass cover, and be in charge of an Inter-Fraternity Council Committee.)

Rule (III)—There shall be no rushing of men during the above period after 8 P. M. and a recommendation shall be sent to the Arcadia that college customs shall be changed to read that, during the first week Freshmen shall not be allowed on the street after 8 P. M. unless they are accompanied by an upper-classman and after the first week, Freshmen may not be on the street after 8 P. M. under any circumstances, until Founder's Day.

Rule (IV)—The penalty for the infraction of any of the above rules shall be the ostracism of the Fraternity.

PI DELTA EPSILON.

May 12th is the date set for the institution of the Alpha Rho Chapter of Pi Delta Epsilon at Lehigh University. Pi Delta Epsilon is a National Honorary Journalistic Fraternity founded at Syracuse University in 1909. The Alpha Rho Chapter will receive the sixteenth charter granted.

This Fraternity corresponds more nearly to Phi Beta Kappa or to Tau Beta Pi than to any other organization in the University. It is an honorary society to which a limited number of the deserving upper-classmen will be elected annually from the "Lehigh Brown & White", "Lehigh Burr" and "Epitome" Boards. There will be no distinction made between Fraternity and Non-fraternity men. Two years' membership, indicating meritorious service on one of the above boards will be the sole qualification.

Pi Delta Epsilon will not form a new living group, nor will it require a great outlay of time on the part of its members. Short monthly meetings, addresses, and etc., together with the few duties imposed by the national organization will comprise the greater part of the activity. The chief justification for the existence of the society will be, as in Phi Beta Kappa or Tau Beta Pi, the increased interest manifested and the resulting benefits derived from the added attention to the activity for which the honor of election is conferred. In this case a high journalistic rather than a high scholastic standing is the determining factor for which the honor is awarded.

The results of the establishment of this Chapter will be as follows: it will develop better teamwork among the publications; it will centralize the journalistic power of the University so that it can be used more efficiently to mold University opinion, to conduct campaigns, or in any other capacity where unity is necessary; it can very well be used as a Press Club for the purpose of securing publicity and obtaining deserved recognition for Lehigh activities, athletic or otherwise; it will create greater incentive and therefore draw more and better competitors for positions on the various boards. The net effect will be marked improvement in all publications.

Phi Mu is particularly interested in Pi Delta Epsilon since the establishment of the Chapter at Lehigh is directly due to the efforts of Brother Al Gardy. The idea originated with him last fall and through his initiative has recently been pushed to a successful conclusion. Brothers Timmons and Barthold have been interested supporters of the project, and are also charter members.

SCENE:—Interior 454 Vine Street. Grand Bullroom. Discovered lying at random in negligee-Messrs. Drew, Gardy, Schubert, Snavelly and Frosh.

Wysocki and Fretz are seen wrestling on the floor. Former is trying out new holds in preparation for his championship bout with the All-Colosseum Deadweight. As the curtain rises the others are discussing matrimony.

TIME:—Around nine o'clock any "off" evening.

Schubert: Well, I've been around females a whole lot in my day and believe me, it'll take a darn good woman to make *ME* marry her.

Drew: Aw, Dicky, you don't mean that. Some day, some girl is going to come and—

'23: Say, listen!

Snavelly: P-p-p-pipe d-down, Frosh! Remember you're only a child.

Drew: Dicky, some day, some nice little red-headed girl is going to—

Schubert: Red-heads are faithless.

Drew: I know that, Dicky, but still, they're so nice and warm.

Snavelly:—A-a-sk Chippy. H-h-he knows!

Gardy: Now I—

Schubert: Where do you get that "I" stuff, Gardy?

Gardy: That's alright, Dick. I—

Schubert: There goes that "I" again. Let's call him "Ego" Al. (Gardy silenced, resumes listening and munching peanuts, one by one.)

'23: Now, listen!

Drew: But really, Dick, you must admit that a wife is a nice thing to have, from the standpoint of—

Schubert: Not for me! No sir, I enjoy life the way I am.

Snavelly: You-all d-don't know the same k-k-kind of g-girl I do. (sighs)

Drew: Aw, lay off that mush stuff. Say, Buck, if I were as far gone as you are I'd get married.

(Commotion outside. Enter 2 Benedicts. They see Wysocki and Fretz on the floor and climb over them to chairs on other side of room.)

Drew: Ah! Gentlemen—just in time. We've been trying to convince this reprobate (indicates Schubert) that matrimony is worth while.

First Benedict: Marriage is the greatest thing in the world!

Second Benedict: I'll say so!

'23: Check!

Snavelly: Shut up, F-f-f-f-freshman!

'23: Aw, rats!

Schubert: Well, as I was saying—

(Conversation broken by howls of baby, downstairs.)

First Benedict: Gee, I forgot! That's my kid. Anybody got a large handkerchief? ('23 hands him one) Thanks. So long, fellers. (EXIT)

Second Benedict: Guess I'd better help him. Good-by. (EXIT)

Schubert (chuckling): That illustrates my point exactly. Ha-ha.

'23: But listen!—

[CURTAIN]

(As curtain falls Wysocki and Fretz stop wrestling and sit up on the floor, dazed.)

F I N I S

VENI, VIDI, VICI.

Since the last issue of "Musings", Phi Mu has made many conquests in the field of collegiate activity. One of the most conspicuous of these is the institution at Lehigh of a chapter of Pi Delta Epsilon, the honorary journalistic Fraternity, by Brother Al Gardy. The particulars are covered elsewhere in this issue. Suffice it to say that it will have been installed by May 12, and that Brothers Gardy, Barthold and Timmons are charter members.

Vic de Wysocki completed his last year of athletics at Lehigh with the close of the basketball season. Vic did not come out for the team until the latter half of the season and his presence gave an added stimulus to the squad. Just now, he is taking charge of the Interfraternity Basketball Tournament, as Chairman of the Athletic Committee.

The period of spring sports finds representatives of Phi Mu in baseball, lacrosse and track. Al Gardy is busy performing his duties as Manager of baseball. His schedule has been pronounced one of the best ever drawn up. Wash Gardy and Jim Conroy are both on the Freshman nine. In addition, Jim manages the team.

As for lacrosse, we have three Brothers who are showing up to advantage. The most successful of these is Dick Schubert who has won a permanent berth on the Varsity at Second Attack position. Don Bush was just about to succeed in making the first team when his ankle was unfortunately broken in a practice game. It will probably be several weeks before he is able to play again. Johnny Timmons spends much of his time on the field and his chances are growing better every day. Buck Snively also reported for this sport.

Eagle Israel, Charlie Israel and Arnold Todd may be seen any afternoon tearing up their share of the turf in the competitions for the track team. With consistent work they should be able to make their marks in this field of endeavor. Eddie Fincke was taken seriously ill at the beginning of the tennis season and hence was unable to take part in the try-outs. This was unfortunate for him, as he had good prospects.

Our Sophomores are actively engaged in trying for the Assistant Managerships of the various teams. Jake Jagels has already been elected Assistant Manager of Swimming, while Eagle Israel is awaiting the result of the coming basketball elections. Chip Drew reported recently for the lacrosse competition and his chances of success are highly favorable.

Our new victories in non-athletic activities are also manifold.

Chip Drew has been elected Secretary of the Lehigh "Burr"; Jake Jagels is now Assistant Editor of the "Brown & White" and also Assistant Editor-in-Chief of the "Epitome". This year's production of the Mustard and Cheese Club was a musical comedy entitled the "Scandal School". It was performed very successfully during Junior Week, with Jake as one of the principals. Fielder Israel, is competing for Managership of the club.

Doc Fretz and Al Johnson, our talented musicians, play respectively in the Band and in the Mandolin Club. Pat Flanagan is Phi Mu's representative in the Arcadia, the student governing body, while Dick Schubert acts as delegate to the Interfraternity Council. Thus, in closing this review, it may be said that Phi Mu is making this one of the most successful years of its existence.

OUR SENIORS.

As June draws nearer, we realize more and more that next year there will be three of our good Brothers gone. It seems hard to realize that Al Gardy, Johnny Timmons and Vic Wysocki have been here four years and are now going to go away from us out into the world. These three prominent Brothers, who have done so much for Alpha Chi Rho, are leaving us, we know, but we are quite certain that they are leaving only in body, and that their spirit will always be with us. And even though they may journey far away, we are sure that at times they will find a moment or two in which to drop back to South Bethlehem and visit 454 Vine.

J. ALLEN GARDY, Bus. Ad., "*Jake*", "*Al*"

Doylestown, Pa.

Al came to Lehigh for the purpose of securing a broad education and a general training. He entered the College of Business Administration, and, began directly to go out for those things outside of scholastic work which, after all, give the college man better training than studies do. A glance at his list of activities, shows the breadth of his work in this direction.

He graduates from here a three "L" man, having been awarded one in track, another in basketball and the third as Manager of baseball. However, Al is not primarily an athlete. He has a fine aptitude for business and will undoubtedly hold his own in the commercial world after he graduates. Al is first, last and always, a plugger and he has earned everything which has come his way. Go to it, Al! We're watching you from the sidelines.

JOHN I. TIMMONS, C. E., "*Timmy*", "*John-I*" Snow Hill, Md.

Timmy came to us from that great city, Snow Hill, and he is certainly keeping up with the greatness of his home town. We need not mention the state, since Snow Hill is so well known, but we might mention that Baltimore, and even Laurel, are two of its suburbs. But aside from his home town, Johnny has shown us that residence in the city is not necessary to make one famous. He entered as an Electrical Engineering aspirant, but after the first year, changed over to Civil Engineering. In this course he has been very successful indeed. He has great plans for the future and often speaks of hydraulic work, but his plans are not yet definite.

In the sporting side of college life, Johnny has taken a great interest in Lacrosse and is fighting hard now for a position on the Varsity. Last year he was out to practice constantly and is now rounding into good shape. Timmy also entered into the business end of non-scholastic life when he secured a position as Assistant Business Manager of the "Burr". Besides these activities, he is also a charter member of Pi Delta Epsilon, the honorary journalistic Fraternity.

College Activities: Lacrosse squad (3,4); Asst. Business Manager of the "Burr" (4); "Burr" Board (3); Civil Society (2,3,4); Lehigh-Maryland Club; Pi Delta Epsilon (4).

Fraternity Activities: 'O (4); 'G (3); Business Manager of "Musings" (3,4); Alternate Delegate to National Convention (3).

VICTOR DE WYSOCKI, El. Met., "*Vic*", "*Wy*" Asbury Park, N. J.

Victor is another Dilburyite, but this does not seem to have harmed him as much as we had feared. With even this shade hanging on him,

he has proved to be one of the biggest men of Lehigh. There has never been a man who will be missed as much as Vic will be when he is gone. The football team will miss him; the basket ball team will miss him; the baseball team will miss him; the students will miss him; and most important of all, the Brothers of Phi Mu will miss him!

Vic's athletic career has been a successful one of four years. When but a freshman he secured a place on the Varsity football team, and has plugged through four years of wonderful playing. His line-plunging and his strong defensive work in plugging openings has been the best that Lehigh students have ever seen. His basketball and his baseball abilities have been on a par with his football playing. He has always taken part in these three sports and if he had had the time, we know he would have been a success in others.

Vic has been a hard worker in his studies and this year finishes his course in El. Met. We predict a bright future for him. Although the University will miss him for his many accomplishments, we think that Phi Mu will miss him most of all. His constant smile, his willing helpfulness, and his ever-ready advice have made his stay with Phi Mu a constant pleasure, and we regret that he must leave us.

College Activities: Varsity Football (1,2,3,4); Captain of Football (3); Varsity Baseball (2,3); Varsity Basket Ball (1,2,3,4); Captain of Basket Ball (3); Class Athletic Representative (2,3); "Epitome" Board (3); Invitation Committee (4); Inter-Fraternity Council (4); Chairman of Inter-Fraternity Athletic Committee (4); Sophomore Cotillion (2).

Fraternity Activities: 'I (3,4); Inter-Fraternity Council Representative (4); Delegate to National Convention (4); Alternate Delegate to National Convention (3).

THE BASKETBALL LEAGUE.

In addition to other interfraternity activities, the Interfraternity Council this year inaugurated a basketball league, which has proved to be a great success. At the time of going to press, all except the two final games have been played, leaving only three Fraternities still in the race. These are Phi Delta Theta, Chi Psi and Alpha Chi Rho. The Phi Delta Theta team proved itself superior in the upper leg and won out against all opponents, being pushed hard by only the Phi Gamma Delta team. Having eliminated every team in the upper bracket, they are preparing to meet the winner of the lower bracket.

As we go to press, Phi Mu has two more opponents. The first one is Chi Psi, over whom we expect to score a victory. If our hopes are granted, we meet the Phi Delta Theta quintet in the finals. Unfortunately for Phi Mu, several accidents have badly depleted our team since our last game. Dinny Bush, who was our star guard, broke his ankle while practicing lacrosse and will be out for the rest of the tournament. Eddie Fincke, too, is lost, having been taken seriously ill with pneumonia. This leaves only a few men to depend upon. The whole team will now have to be built around the remaining stars—Al Gardy, Wash Gardy and Dick Schubert. Captain Al will of course remain as the pivot man, Wash Gardy will again hold down a forward position and Pat Flanagan will take Eddie's place. Dick Schubert, our lacrosse star, will be a fixture at guard, and we will depend on Mark Armstrong to take care of the other guard position. We are sadly weakened, it is true, but we still have the Alpha Chi fight, and they will have to show us that they are better than we are before we will let up.

Our first game in the basketball league was with Pi Lambda Phi and we won easily by the score of 38-9. We started right off at the beginning and began dropping in field goals one after another. The first half was a runaway, our men bringing the score to 20-4 when the whistle blew. The beginning of the second half was but a repetition of the first and by the middle of the half, Captain Al Gardy began putting in substitutes. Even with nearly a whole team of second string men, the score mounted and when the final whistle sounded, we had brought the score to 38-9. Captain Al was the big scorer, ringing in 9 field goals and caging 4 out of 5 fouls. Wash Gardy also had a good day and registered five two-pointers. Flanagan accounted for two points, when he jumped in a rebounding foul. The guards, Schubert and Bush, played excellent ball, holding the Pi Lambda forwards almost scoreless. Dinny also had an eye for the basket and tossed in

two counters. The line-up was as follows:

ALPHA CHI RHO (38)	PI LAMBDA PHI (9)
Flanagan	forward..... Heilgman
J. W. Gardy	forward..... Sugar
J. A. Gardy	center..... Kay
Schubert	guard..... Abel
Bush	guard..... Goldman

Field goals—J. A. Gardy 9, J. W. Gardy 5, Bush 2, Sugar 2, Flanagan 1, Heilgman 1, Schragger 1. Foul goals—J. A. Gardy 4 out of 5; Goldman 1 out of 1; Heilgman 0 out of 2. Substitutions—Fincke for Schubert; Armstrong for Bush; Cox for Flanagan; Fretz for J. W. Gardy; Schragger for Abel. Score at half time—Alpha Chi Rho 20; Pi Lambda Phi 4. Final score—Alpha Chi Rho 38; Pi Lambda Phi 9. Referee—Boquel.

Our basketball team forged into the semi-finals of the league when it scored a decisive victory over the Phi Sigma Kappa quintet. Eddie Fincke was the star of the game and scored enough points alone to tie those scored by Phi Sigma Kappa. In the game all the time, and slipping in and about the opponents, he completely baffled them and came out only to drop the ball thru the net for points. His total of seven goals included a number of difficult ones and his passing was excellent. The Gardy brothers scored the other points for Phi Mu, Al netting three field goals and two out of five tries from the foul mark, and Wash getting two goals. Dick Schubert was absent from the game because he was busy making a permanent place on the lacrosse team. Bush and Flanagan held down the guard positions and both played a good defensive game. Dinnie was especially good in his passing and floor work and was directly responsible for several goals. The passing and shooting of the whole team was very good and the victory was well earned. The score:

ALPHA CHI RHO (26)	PHI SIGMA KAPPA (14)
Fincke	forward..... Redline
J. W. Gardy.....	forward..... Henry
J. A. Gardy	center..... Settle
Flanagan	guard..... Wright
Bush.....	guard..... Damiani

Field goals—Fincke 7, Redline 5, J. A. Gardy 3, J. W. Gardy 2, Wright 2. Foul goals—J. A. Gardy 2 out of 5; Redline 0 out of 2. Substitution: Day for Henry. Score at half time: Alpha Chi Rho 17; Phi Sigma Kappa 6. Final Score: Alpha Chi Rho 26; Phi Sigma Kappa 14. Referee—Boquel.

RECOLLECTIONS.

The results of the Convention are very gratifying to Phi Mu. Thirty-nine hands were on deck, all told, from this Chapter. This splendid rally won for us the Plaque which now adorns our walls. The quota assigned to us was fifteen men.

There is little else to say since all the Brothers know what happened, but let it suffice to repeat that worn out phrase, which, in this case, expresses our feelings exactly—"A good time was had by all".
